PAGE 2

Fuller's Earth Cream contains zinc oxide, a mild antiseptic and astringent for the skin.

1. Before you use this medicine

Do not use the medicine if you or your child have....

- An **allergy** to **refined arachis oil (peanut oil), soya**, or any other ingredient listed on the front.

⚠ Pregnant or breastfeeding....

Ask your doctor or pharmacist for advice before using this medicine if you are pregnant, might be pregnant or are breastfeeding.

⚠ Important ingredient information

- Contains refined arachis oil (peanut oil). If you are allergic to peanuts or soya do not use this product.
- It also contains wool alcohols (lanolin) which may cause local skin reactions (e.g. contact dermatitis).

2. Possible side effects

There are no known side effects from using Fuller's Earth Cream as directed.

If you notice any side effects, stop use and tell your doctor or pharmacist. They will tell you what to do.

Reporting of side effects

If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in this leaflet. You can also report side effects directly via the Yellow Card Scheme at: www.mhra.gov.uk/yellowcard.

By reporting side effects you can help provide more information on the safety of this medicine.

3. Further information

⚠ If you accidentally swallow some see a doctor straight away. Take the pack with you to show which medicine you have swallowed.

- Return any unused medicine to the pharmacy for disposal.
- Do not use after the expiry date. The expiry date refers to the last day of that month.

What the medicine looks like

Fuller's Earth Cream is a buff coloured cream which is supplied in 60g packs.

This label was last revised in January 2015
