

1.5MM

FRONT FACE REVERSE:

170MM

This medicine contains hydrogen peroxide, a disinfectant and deodorant. It kills bacteria by releasing oxygen when in contact with body tissues.

1. Before you use this medicine
⚠ Do not use this medicine if you or your child have....

- An allergy to any of the ingredients listed on the front

⚠ Do not use the medicine....

- On normal skin and eyes.
- In closed body cavities or surgical wounds.
- As an enema.
- To disinfect surgical instruments.
- This product may bleach fabrics.

⚠ Pregnant or breastfeeding....
 Ask your doctor or pharmacist for advice before using this medicine if you are pregnant, might be pregnant or are breastfeeding. Hydrogen Peroxide Solution should not be used in pregnancy or whilst breastfeeding unless the doctor has told you to do so.

2. Possible side effects
 Like all medicines, Hydrogen Peroxide Solution can have side effects, although these don't affect everyone.
Possible side effects of strong solutions are:

- Irritating burns on the skin and other soft tissues of the body producing a white patch of dead tissue. The pain from this will disappear after about an hour.

Continual use as a mouthwash may cause:

- Temporary swelling of the tongue.

If you notice these or any other side effects, stop use and tell your doctor or pharmacist. They will tell you what to do.

Reporting side effects
 If you get any side effects, talk to your doctor, pharmacist or nurse. This includes side effects not listed in this leaflet. You can also report side effects directly via the Yellow Card Scheme at: www.mhra.gov.uk/yellowcard or search for "MHRA Yellow Card" in the Google Play or Apple App Store. By reporting side effects you can help provide more information on the safety of this medicine.
