Radian B

Pain Relief Spray

Effective relief for hard to reach aches and pains

Multi-Action Painkiller

Radian® B Pain Relief Spray provides symptomatic relief from muscular and rheumatic aches and pains including, fibrositis, sciatica, lumbago, sprained ligaments, bruises, muscle stiffness, strains, tennis elbow and golf shoulder. It is easy to use, especially for hard to reach areas or for areas which may be too painful to massage. **How to use: Adults, the elderly and children over 12.** Prime the pump before use by pressing spray head several times. Spray onto the affected area, followed by a second application after 10-15 minutes, if required. Repeat, if necessary, up to 3 times a day, reducing to mornings and evenings when acute symptoms subside. When convenient, use after a warm bath. Wash hands thoroughly after use. Do not cover the skin immediately after application. **Check before use. Do not use:** - on children under 12 - on broken or irritated skin, face, eyes and sensitive areas - if you are allergic to salicylates (e.g. aspirin), other non-steroidal anti-inflammatory medicines, or any of the ingredients of this medicine - if you are taking other medicine without first consulting your doctor. **Warnings and precautions:** If you accidentally apply this medicine to a large area of skin and you feel unwell, or if you swallow some, see a doctor straight away. Take the pack with you. Do not smoke or go near naked flames - risk of severe burns. Fabric (clothing, bedding, dressings etc) that has been in contact with this product burns more easily and is a serious fire hazard. Washing clothing and bedding may reduce product build-up but not totally remove it. This medicine contains fragrance with Geraniol, Citronellol, Benzyl Benzoate, Eugenol and Citral, which may cause allergic reactions. This medicine contains 76% v/v alcohol (ethanol) in each application. It may cause burning sensation on damaged skin. **Pregnancy and breast-feeding:** Do not use this medicine if you are pregnant or breast-feeding. **Possible Side effects:** May include contact dermatitis, eczema or allergic reactions such as skin rash, flushing or headache. If excessive irritation or any other unusual effect occurs discontinue use and speak to your doctor. If symptoms persist consult your doctor. **Reporting of side effects:** If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in this label. You can also report side effects directly via the Yellow Card Scheme at www.mhra.gov.uk/yellowcard or search for 'MHRA Yellow Card' in the Google Play or Apple App Store. By reporting side effects you can help provide more information on the safety of this medicine. **Warning:** Flammable product, do not use on or near painted or polished surfaces; near open flames or hot surfaces and in confined spaces. Avoid inhalation. **Keep out of sight and reach of children. Store below 25°C.** Do not use after expiry date (EXP) on label. If swallowed seek immediate medical attention.

FOR EXTERNAL USE ONLY PL 00240/0361

Active ingredients w/v: Levomenthol 1.4%, Racemic Camphor 0.6%, Ammonium Salicylate 1.0%, Salicylic acid (as methyl and ethyl esters) 0.54%.
