

Plus

Bath Additive
Oilatum® Plus is used to treat eczema that is at risk of becoming infected.
 Oilatum® Plus is for use by adults, children and babies over 6 months old.
 Do not use **Oilatum® Plus** if you have previously had a skin reaction or allergy (hypersensitivity) to any of the ingredients.

Directions

Always dilute with water before use. Use once daily, do not exceed the recommended amount.
For adults, elderly and children over 2 years:
 In an 8 inch (20 cm) bath, add 2 capfuls (20 ml).
 In a 4 inch (10 cm) bath, add 1 capful (10 ml).
Infants over 6 months:
 Add 1 ml (just enough to cover the bottom of the cap) to a baby bath containing approximately 15 litres of water and mix well. **Not recommended for babies less than 6 months.**
 Soak the affected areas of skin for 10-15 minutes. Gently pat dry.
 Oilatum® Plus is an effective cleanser and should not be used with soap.
 When you have finished your bath, rinse the waste pipe with additional warm running water. This will ensure there is no residue left in the drain pipe. It may also be necessary to clean the bath with a degreasing agent.
 If you accidentally swallow the undiluted product it can cause an upset stomach, sickness and may burn and damage your throat. Contact your doctor for advice if you feel unwell.
Use this medicine only on your skin. KEEP OUT OF THE SIGHT AND REACH OF CHILDREN.
 Do not use the product after the expiry date.

Warnings

Oilatum® Plus contains benzalkonium chloride, which is an irritant and may cause skin reactions.
 Undiluted Oilatum® Plus can cause irritation, so avoid getting it on your skin or in your eyes. If you get Oilatum® Plus in your eyes, rinse at once with plenty of water for 15 minutes. If there is persistent eye irritation seek medical advice taking this bottle with you. If you get skin irritation, contact your doctor or pharmacist.
 Oilatum® Plus can make your bath slippery so be careful when getting into or out of the bath.
Talk to your doctor if you are pregnant or breast-feeding.
 Wash off all traces of Oilatum® Plus before you begin to breast-feed.
Do not smoke or go near naked flames - risk of severe burns. Fabric (clothing, bedding, dressings etc) that has been in contact with this product burns more easily and is a serious fire hazard. Washing clothing and bedding may reduce product build-up but not totally remove it. This **Product contains Lanolin** which may cause local skin reactions (e.g. contact dermatitis).
Possible side effects: skin reactions including peeling, redness, inflammation, itching and burning.
Reporting of side effects
 If you get any side effects, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed on this carton. You can also report side effects directly via the Yellow Card Scheme at: www.mhra.gov.uk/yellowcard. By reporting side effects you can help provide more information on the safety of this medicine.
