

Eurax Hc Cream is a non-greasy, non staining skin cream to treat:

- skin conditions caused by substances such as bleaches, soaps and detergents, jewellery etc.
- insect bite reactions.

It effectively reduces inflammation and quickly relieves itching and associated scratching which can further aggravate irritated skin.

**Do NOT USE if you:** • are allergic to any of the ingredients • have cold sores, acne or athlete's foot • have weeping open skin wounds • are pregnant or breast-feeding without medical advice • are a child under 10 years.

**Do NOT PUT** the cream in/on your, eyes, mouth, anus or genital area. In case of contact with eyes, rinse immediately with water.

**Cautions:** Contains stearyl alcohol, propyl & methyl parahydroxybenzoate and fragrance (inc. benzyl alcohol (0.0187%), benzyl benzoate (0.0047%), citral, citronellol, coumarin, d-limonene, eugenol, geraniol and linalool) which may cause local allergic/skin reactions (e.g. contact dermatitis, possibly delayed). If this happens stop using the cream.

This medicine contains 200mg propylene glycol (E1520) in each gram of cream.

**Directions:** Adults and children over 10 only: use sparingly on a small area twice a day. Do not cover the area with dressings. If the condition does not improve within 7 days, consult your doctor.

**Possible Side Effects:** Occasionally you may get irritation at the site of application, such as a burning sensation, itching, or contact dermatitis/contact allergy. Stop using the cream if you experience severe skin irritation, blurred vision (unknown), other visual disturbances or any symptoms not listed. If accidentally swallowed, seek medical advice immediately.

**Reporting of suspected adverse reactions**  
Reporting suspected adverse reactions after authorisation of the medicinal product is important. It allows continued monitoring of the benefit/risk balance of the medicinal product. Healthcare professionals are asked to report any suspected adverse reactions via the Yellow Card Scheme at: [www.mhra.gov.uk/yellowcard](http://www.mhra.gov.uk/yellowcard), or search for MHRA Yellow Card in the Google Play or Apple App store.

**Keep out of the sight and reach of children.** Do not store above 25°C. Do not use after the expiry date given.

**Active Ingredient:** Crotamiton 10%w/w & Hydrocortisone 0.25%w/w.

**Also contains:** Stearyl alcohol, propylene glycol (E1520), white soft paraffin, polyoxyl 40 stearate, propyl parahydroxybenzoate (E216), methyl parahydroxybenzoate (E218), pH modifier (sulphuric acid) perfume (contains geraniol, citronellol, coumarin, benzyl alcohol, benzyl benzoate, citral, d-limonene, eugenol, linalool) and water.
