The guide is available in printed and digital format, both versions allow you to access an audio version via a smart device. The audio version is a readout of the text in this patient guide. More information is available to you in the Patient Information Leaflet (PIL).

If you get any side effects, which include any possible side effects not listed in this guide, talk to your doctor, pharmacist or nurse. You can also report side effects directly to the MHRA through the Yellow Card scheme, via the Yellow Card website www.mhra.gov.uk/yellowcard, the free Yellow Card app available from the Apple App Store or Google Play Store. Alternatively, you can call 0800 731 6789 for free, Monday to Friday between 9am and 5pm.

Adverse events can also be reported to Celltrion Healthcare UK by phone on +44 (0)1753 983500 or email at ukadverseevents@celltrionhc.com. By reporting side effects, you can help provide more information on the safety of this medicine.

▼ **This medicinal product is subject to additional monitoring. This will allow quick identification of new safety information. Healthcare professionals are asked to report any suspected adverse reactions. See section 4.8 of the SmPC for how to report adverse reactions.**
