

*ORDER YOUR EPIPEN® TRAINER PEN

The EpiPen® Trainer Pen is easily distinguishable from your EpiPen®. The label clearly states 'EpiPen® Trainer' and it is pale blue and grey in colour.

The Trainer Pen:

- ▶ Is reusable so you can practice as many times as you wish
- ▶ Works in the same way as the real EpiPen® but doesn't contain a needle or any medicine

We recommend showing your friends, family, carers or colleagues how to use your Trainer Pen so they are familiar with it.
