

Travel Certificate

You should print this certificate off and ask your GP to complete the details in plenty of time for you to travel.

The holder of this certificate suffers from a life threatening allergy which could result in anaphylaxis.

It is essential that this patient/carer carries adrenaline auto-injectors with them at all times, including whilst on an aircraft, in order to provide immediate, emergency self-treatment.

Please be aware of this traveller's health risk.

Reporting of side effects:

If you get any side effects or have a device failure, talk to your doctor, pharmacist or nurse. This includes any possible side effects not listed in the package leaflet. Please report side effects or device failures with any medicine or vaccine to the medicines regulator MHRA through the Yellow Card Scheme.

It is easiest and quickest to report side effects and device failures online via the Yellow Card website: <https://yellowcard.mhra.gov.uk/> or search for MHRA Yellow Card in the Google Play or Apple App Store.

Alternatively, prepaid Yellow Cards for reporting are available by writing to FREEPOST YELLOW CARD (no other address details necessary), by emailing yellowcard@mhra.gov.uk, by telephoning the Commission on Human Medicines (CHM) free phone line: 0800-731-6789, or by downloading and printing a form from the Yellow Card section of the MHRA website. You can also report side effects and device failures direct to the marketing authorisation holder at pv.uk@viatris.com.
